

Halloween Safety Tips

"Halloween can be great fun for our kids, but unfortunately there are people out there who may harm them. Being prepared is the first step in assuring all goes well. Make a plan for the night and talk to your kids about how to stay safe. You can make the difference."

To keep kids safe during Halloween follow these simple rules

- **BE AWARE** of sex offenders in your area
- **NEVER** let children trick or treat alone
- **ONLY** trick or treat at houses that your parents have approved
- **NEVER** let children enter homes without a parent
