Deputy Clerk Bader that the cost for a streetlight on Rockwell Road at the U.S. 6 intersection would be \$6,122 per Ameren's estimate. The council suggested discussing this recommendation to add a streetlight on Rockwell Road at the U.S. 6 intersection next meeting when Leonard Keening was available to explain the reason for his request. Another suggestion was to figure out some way to use reflectors at this intersection instead of installing a streetlight.

Dawn Hicks explained her reason for her request to add two stop signs at 7<sup>th</sup> & Hennepin Streets intersection. She stated her concerns about traffic safety on Seventh Street, suggesting a four-way stop to prevent near accidents. Chairman Bacidore stated that the Police Chief could not find any accidents at that intersection. Hicks stated the need for better traffic control to protect pedestrians and prevent accidents.

Chairman Bacidore stated that the request to add two stop signs at 7<sup>th</sup> & Hennepin Streets intersection, creating a four-way stop intersection dies for a lack of motion.

There were no other questions or comments from the public.

Moved by Alderman Reynolds and seconded by Alderman Herndon to adjourn the meeting.
