

NOTICE OF PUBLIC HEARING

CITY OF LA SALLE – Water Distribution System

Notice is hereby given that a public hearing will be held on March 20, 2025 at 4:00PM at La Salle City Hall, which is located at 745 2nd St., La Salle, IL 61301. The purpose of the hearing is to provide an opportunity for public input regarding proposed lead service line replacements.

The hearing will include a brief informational presentation about the project. During the hearing the City will review the findings of the project summary and the Preliminary Environmental Impact Determination (PEID). Following the presentation the City will make a formal request for public comments. At the end of the hearing, the City and its consulting engineer will be available to address any concerns, questions or comments that citizens may have about the project.

Those interested in making written public comments on the project must do so within 10 days after the date of this hearing, and shall forward such comments to the Illinois EPA, to be directed to the contact person at the IEPA address listed in the Preliminary Environmental Impact Determination document. A copy of the Preliminary Environmental Impact Determination is currently available for public viewing at La Salle City Hall, which is located at 745 2nd St., La Salle, IL 61301.
