

School Safety Tips

"We all have one thing in common, we care about our children's safety ... we want them to enjoy their years in school and return safely to us each afternoon. It is important for families to supervise young children and practice safety skills with their older children. Be sure you know the rules for going to and from school safely. "

Keep children SAFE during the school year

- **BE AWARE** of registered sex offenders in your area.
- **NEVER** let children travel to and from school alone.
- **ALWAYS** stay in well lit areas when walking or riding a bike to school. **NEVER** take shortcuts. **NEVER** approach strangers.
- **TALK** to your kids about school safety rules and regulations.
